

So Cal ASA Coaching Schools

So Cal ASA is proud to introduce the 12th year of the Coaches Training Program. The Program is developed and designed to provide softball coaches of all levels – from beginning coaches to experienced veterans – an opportunity to further their knowledge of the sport of Softball.

Our clinics are practical guides to the everyday situations you will encounter as a youth softball coach. The program utilizes a participation format to teach coaches how to identify skills of the game, isolate the players mechanics of the skill and to evaluate and improve the players mechanics. After attending one of the Coaching Schools, you will be well prepared to coach a youth softball team.
